1. LICENSED WEB FONT

The licensed web fonts are licensed, not sold, to you for use only under the terms of this agreement. JHA, as the licensor, reserves all rights not expressly granted to you. You are hereby granted a non-exclusive, non-assignable, non-transferable (except as expressly permitted herein) license to use the licensed web fonts on websites, using the @font-face selector in CSS files or provided .woff and .woff2 files, subject to all of the following:

- You may not link to, nor put online, any version of a licensed web font not supplied in a web font kit or file format. The comments, showing copyright and other legal information provided in the sample HTML/CSS/javascript files, for each licensed web font must be retained in your working Website code. The licensed web fonts may be used on any webdomain the license is granted to (subject to the next paragraph).
- The total traffic, measured in page views, of all domains using a licensed web font must be no greater than the number of page views specified in your invoice.
- Businesses or organizations such as advertising agencies, web design agencies or hosting providers that are responsible for multiple clients' websites must enter into separate agreement's for each client website.
- The licensed web fonts may be used in a website where visitors produce styled content by directly or indirectly selecting a licensed web font and entering or editing content using that licensed web font, if and only if the website does not enable or facilitate the styled content being used outside the website. Examples of using styled content outside of a website include but are not limited to producing merchandise, .pdf documents, image files, or personalized physical objects using the styled content or opening the website through an application.
- You may not use conversion or editing tools on the licensed web fonts. Use of the licensed web fonts with technologies other than @font-face or .woff and .woff2 files, such as sIFR, cufón or typeface.js, is not allowed.

2. THE LICENSED WEB FONTS

You shall identify all licensed web fonts to visitors of websites only by the licensed web font's original name and in accordance with accepted trademark practice, including identification of the trademark owner's name. The website's font selection user interface must display the licensed web font's original name(s) and cite the source of the licensed web font. You will only use the licensed web font's original name(s) to identify a licensed web font which effects a faithful reproduction of the underlying font and which is of a quality sufficient to meet industry typographic quality standards.
